

Oklahoma 60th Legislative Session Bill Tracking (Second half) - House Bills *As of 3/19/26*					
Bill Number	Author(s)	Current Committee	Caption	SPEER Analysis	Last Action
HB 2972	Hays	Rules	Wind and solar energy; authorizing board of county commissioners of each county to adopt certain ordinances; effective date.	Provides boards of county commissioners for each county authority to adopt, amend, and enforce ordinances regulating the siting, construction, and expansion of commercial wind and solar energy facilities within unincorporated areas of county. It also allows for initiatives to be voted on by registered voters. Requires any project for wind generation, electric bulk power transmission (when used primarily for wind energy transmission), recycling (when used for wind turbines), data centers, grid scale battery storage, and carbon capture to receive a 2/3rds vote from landowners within a 5 mile impact radius of proposed project.	2026-02-04 - Referred to Rules
HB 3095	Jenkins	Energy	Property; Rural Landowners Protection Act; definitions; real property; shares; voting; election procedures; setback provisions; effective date	Establishes the ARISE-OK task force to identify workforce development challenges and needs for the state in the fields of agriculture, manufacturing, energy, construction, healthcare, technology, and veteran transition.	2026-02-03 - Referred to Energy
HB 3128	West	Business	Task Force (ARISE-OK); purpose; Task Force member guidelines; appointed members; duties; support staff; compensation; effective date.	Establishes the Oklahoma Advanced Nuclear Energy Office within the office of the governor.	2026-03-16 First Reading
HB 3175	Archer, et al.	Appropriations and Budget	Nuclear energy; defining terms; creating the Oklahoma Advanced Nuclear Energy Office; effective date.	Establishes the Oklahoma Gas, Artificial Intelligence, and Space Research Hub (GAS Hub) to coordinate recruitment, development, and hosting of a US National Laboratory.	2026-03-17 Coauthored by Representative West (Josh)
HB 3176	Archer	Business	State development; Oklahoma Gas, Artificial Intelligence, and Space Research Hub; National Laboratory; Oklahoma Department of Commerce; effective date.	requires utilities to consider cost effectiveness and deployment timeline of advanced transmission technologies.	2026-03-11 Coauthored by Representative Staires
HB 3183	Archer	Rules	Electric utilities; creating the GET Over Congestion (Grid Enhancing Technology Over Congestion) Act; effective date.	Shell Bill	2026-02-25 CR; Do Pass, amended by committee substitute Rules Committee
HB 3184	Archer	Rules	Energy; creating the Energy Reform Act of 2026; effective date.	Shell Bill	2026-02-03 - Second Reading referred to Rules
HB 3185	Archer	Rules	Energy; creating the Energy Reform Act of 2026; effective date.	Shell Bill	2026-02-03 - Second Reading referred to Rules
HB 3186	Archer	Rules	Energy; creating the Energy Reform Act of 2026; effective date.	Shell Bill	2026-02-03 - Second Reading referred to Rules
HB 3187	Archer	Rules	Energy; creating the Energy Reform Act of 2026; effective date.	Shell Bill	2026-02-03 - Second Reading referred to Rules
HB 3333	Hays	Rules	Commercial wind energy; creating the Commercial Wind Energy Modification Act of 2026; effective date.	Shell Bill	2026-02-03 - Second Reading referred to Rules
HB 3394	Clinton	Energy	Hyperscale data centers; Oklahoma Hyperscale Data Center Directory Act; Oklahoma Corporation Commission; directory; electrical utilities; water providers; effective date.	Establishes a directory of hyperscale data centers. Utilities must report information on data centers to OCC annually.	2026-02-12 - Referred to Energy
HB 3397	Clinton	Rules	Data centers; defining terms; requiring Corporation Commission provide for certain classification of service; effective date.	Requires OCC to establish classification for large energy use facilities (data centers).	2026-02-03 - Second Reading referred to Rules
HB 3464	Boles	Utilities	Energy; creating the Battery Storage Regulation Modernization Act of 2026; effective date.	Shell Bill Requires green energy projects to receive approval from a majority of the board of county commissioners for each county within the projects boundaries before moving through permitting process. Provides citizens with the opportunity to vote on it if they disagree with County Commission ruling.	2026-03-04 Coauthored by Representative(s) Chapman, Dobrinski
HB 3723	Shaw	Energy	Green energy projects; requiring vote of board of county commissioners before certain projects can proceed; emergency.	Requires a high-demand facility (Greater than 75MW used per month) to not receive taxpayer funded subsidy unless facility pays back in full.	2026-02-03 - Referred to Energy
HB 3724	Shaw	Utilities	Public utilities; defining terms; stating applicability to high-demand facilities with certain electricity requirements; emergency.	Establishes a surcharge during peak demand periods so to not over charge residential customers with costs of data center energy use.	2026-02-17 Hearing 3:00 pm in Room 206
HB 3917	Dollens	Appropriations and Budget	Public utilities; defining terms; requiring certain public utilities to make certain filing with Corporation Commission; effective date.	Shell Bill	2026-02-04 - Referred to Appropriations and Budget
HB 3989	Caldwell (Trey)	Utilities	Energy; Energy Modernization Act of 2026; effective date.	Shell Bill	2026-03-04 Authored by Senator Green (principal Senate author)
HB 3994	Caldwell (Trey)	Rules	Energy; Energy Modernization Act of 2026; effective date.	Shell Bill	2026-02-03 - Second Reading referred to Rules
HB 3995	Caldwell (Trey)	Utilities	Energy; Energy Modernization Act of 2026; effective date.	Shell Bill	2026-02-03 - Second Reading referred to Rules
HB 4086	Alonso-Sandoval	Rules	Energy; creating the Energy Reform Act of 2026; effective date.	Shell Bill	2026-02-03 - Second Reading referred to Rules
HB 4494	Alonso-Sandoval	Rules	Energy; creating the Energy Reform Act of 2026; effective date.	Shell Bill	2026-02-03 - Second Reading referred to Rules
HB 4500	Townley	Rules	Energy; creating the Energy Modernization Act of 2026; effective date.	Shell Bill	2026-02-03 - Second Reading referred to Rules

Oklahoma 60th Legislative Session Bill Tracking (Second half) - Senate Bills *As of 3/19/26*					
Bill Number	Author(s)	Current Committee	Caption	SPEER Analysis	Last Action
SB 1191	Daniels	Energy	Oklahoma Energy Initiative Act; repealing Oklahoma Low Carbon Energy Initiative Board. Effective date.	Abolishes the Oklahoma Low Carbon Energy Initiative.	2026-02-24 First Reading
SB 1285	Coleman and Hasenbeck	Business and Insurance	Public Facilities Act; establishing certain requirements for certain construction. Effective date	updates standards for State buildings related to energy and water use, healthy interiors and construction materials.	2026-02-17 Coauthored by Representative Hasenbeck (principal House author)
SB 1300	Bergstrom	Rules	Corporation Commission; requiring implementation of certain standards. Effective date.	Requires OCC to establish standards to prioritize affordable, reliable, and clean energy security. Prioritize energy resources currently in the state, except nuclear.	2026-02-03 - Second Reading referred to Rules
SB 1316	Bergstrom	Rules	Administrative rules; directing permanent rules of certain agencies to sunset on certain dates; requiring submission of certain rules for review. Effective date.	Requires agencies to sunset rules promulgated during a four year period, and those agencies, boards, and commissions are required to submit their permanent rules to the legislature for review. OUBCC, ODOC, and OCC are all included.	2026-03-09 Placed on General Order
SB 1510	Hamilton	Energy	Energy; requiring certain bonds prior to construction of certain facilities. Effective date.	Creates requirement for new solar and wind energy facilities to file a surety bond with SOS for \$100,000 before construction can begin. Reduces the period for abandonment of commercial wind energy facilities from 24 consecutive months to 180 consecutive days. Stipulates that the wind energy facility must have capacity of 5 megawatts or more. Requires facility to submit evidence of financial security every 5 years. Adds setback minimum of 1/4 of a nautical mile or 2 times the total height of the turbine to nonparticipating land owner property line, and 1/2 nautical mile from any residential structure. Adds additional requirements for filing impact assessments.	2026-03-04 Coauthored by Representative Turner (principal House author)
SB 1514	McIntosh	Energy	Wind energy; modifying provisions of the Oklahoma Wind Energy Development Act. Effective date	Transfers responsibilities of the Oklahoma Energy Resources Board to the Oklahoma Corporation Commission. Establishes that once all abandoned wells have been plugged, the energy resources revolving fund will allocated minimum of 50% of monies collected to be spent on public education to address safety protocols, risk mitigation, environmental protection.	2026-02-03 - Second Reading referred to Energy
SB 1528	Boren	Energy & Appropriations	Energy; transferring duties and responsibilities from the Oklahoma Energy Resources Board to the Corporation Commission. Effective date.	Clean up bill, establishes effective date of July 1, 2023	2026-02-03 - Second Reading referred to Energy Committee then to Appropriations Committee
SB 1579	Paxton	Revenue and Taxation & Appropriations	Income tax credit; clean-burning motor vehicle fuel property; expanding forms of tax for which credit is claimed. Effective date.	Shell Bill	2026-03-02 Placed on General Order
SB 1606	Frix	Energy	Oklahoma Wind Energy Development Act; modifying time at which wind energy facility must be decommissioned. Effective date.	Amends current decommissioning statute to remove abandonment clause after 12 months and requires decommissioning of wind energy equipment immediately upon end of useful life	2026-02-03 - Second Reading referred to Energy
SB 1732	Daniels	Business and Insurance	Professional licensing fees; establishing license fees. Effective date	Adds and increases existing licensure fees for plumbing, electrical, or mechanical license registration, endorsement or renewal. Home inspection industry license and renewal, and code inspectors as well.	2026-03-04 First Reading
SB 1766	McIntosh	Rules	Corporation Commission; requiring certain consideration and petition. Effective date.	When public utilities request rate adjustment, OCC must consider impact to bulk power system reliability, capacity, on-demand dispatchability, useful life, intermittent operational nature, overall operational costs (including back end disposal) and environmental compliance costs for production or transmission of electric energy.	2026-02-03 - Second Reading referred to Rules
SB 1917	Bullard	Agriculture and Wildlife	Solar energy devices; stating permissible locations for installation. Emergency.	Prohibits the use of solar energy panels to be used on agricultural land with definition "any land used primarily for farming, ranching, or other agricultural purposes as determined by OK Dept. of Ag, Food, and Forestry.	2026-02-03 - Second Reading referred to Agriculture and Wildlife
SB 1935	Murdock	Judiciary	Solar setbacks; creating the Commercial Solar Facility Setback Act. Effective date	Utility-Scale solar facilities (nameplate capacity greater than 1 mw), excluding residential solar panels, are prohibited from being within 125 ft of other participating or non participating residences (unless requirement waived by owner).	2026-02-10 - Coauthored by Representative Newton (principal House author)
SB 2123	Frix	Energy	Wind energy; modifying provisions of the Oklahoma Wind Energy Development Act. Effective date.	Reduces the period for abandonment of commercial wind energy facilities from 24 consecutive months to 180 consecutive days. Stipulates that the wind energy facility must have capacity of 5 megawatts or more. Allows for two extensions if authorized by Commission.	2026-02-03 - Second Reading referred to Energy
SB 2124	Jett	Energy	Public utility; authorizing fish hatcheries to generate electricity behind the meter for on-site use. Effective date.	Requires within 12 months of decommissioning that the property be restored to pre-wind energy facility conditions.	2026-02-03 - Second Reading referred to Energy
SB 2126	Stanridge	Energy	Energy; requiring the Corporation Commission to promulgate rules. Effective date.	Stipulates fish hatcheries that generate electricity on premises will not be considered a public utility	2026-02-03 - Second Reading referred to Energy
SB 2183	Seifried	Energy	Wind energy; modifying provisions of the Oklahoma Wind Energy Development Act. Effective date.	Requires Commission to promulgate rules regarding net metering of distributed generation	2026-02-03 - Second Reading referred to Energy
